Hornbeek Blatt Announces New President

Hornbeek Blatt Architects is pleased to announce that effective July 1, 2021, Anthony Blatt assumed executive leadership as President and sole Principal for the firm, soon to be named Blatt Architects.

Founding Partner, David Hornbeek has left his role as firm President and concluded his involvement in day-to-day operations of Hornbeek Blatt Architects, P.C. David Hornbeek will remain engaged in the architectural community through participation on various professional boards, his philanthropic work with his initiated non-profit, and will continue to lend his expertise as a consultant on selected projects.

With over 40 years of experience, Hornbeek has been serving as President of the firm since 1999 and has been active in the Oklahoma Board of Licensed Architects, Landscape Architects and Registered Interior Designers, the National Council of Architectural Registration Boards (NCARB), as a visiting adjunct professor and member of the University of Oklahoma School of Architecture's Professional Advisory Board / Board of Visitors, and the AIA Central Oklahoma chapter. Currently, Hornbeek is serving as the Region 5 director on the NCARB National Board of Directors.

"David has made an incredible impact to the built environment on a variety of projects that span the globe, with a number of prominent projects in our great state of Oklahoma," said Tony Blatt. "He has been a mentor to many, making an impact on numerous professionals in our field. I would not be the person I am today without the influence that David has afforded me. I have deep gratitude for all of his efforts during our partnership."

Hornbeek Blatt Architects, P.C., founded in 1999 as a corporation, has grown to become a well-respected multi-service architectural firm in Edmond, Oklahoma. Named the 2011 AIA Central Oklahoma "Outstanding Firm of the Year," Hornbeek Blatt has been designing award winning architecture for over 20 years through leadership, vision, and a commitment to quality design. Notable projects include 21C Museum Hotel OKC, Edmond Center Court, Oklahoma City Community Foundation, Variety Care Britton Health Center and OKC MAPS3 Senior Health and Wellness Center No. 3. The firm has also been heading a team of twelve different international consultants as the Co-Prime Architect for First Americans Museum, scheduled to open September 18, 2021.
