

university of oklahoma - dental faculty practice

Positioned in the heart of the University of Oklahoma Health Science Campus in Downtown Oklahoma City, this new complex provides a practicing facility for the University's Dental Faculty. The two story facility provides for all aspects of the dental practice, including but not limited to Orthodontics and Pedodontics, Oral Surgery, Orthodontics and Periodontics, as well as General Dentistry. Additionally, this new state of the art facility incorporates Training Rooms, a tiered Lecture Hall, Catering Kitchen and Administrative Areas to support the core function of the facility, providing an opportunity for current University Faculty to incorporate an active practice and training facility on Campus.
